

Humans

Alexander S. Peak

- Humans.1.1 Ah, yes. Humans.
Humans.1.2 We are all fucking crazy,
Humans.1.3 We are all fucking ants.
Humans.1.4 Socialised, and harmonised,
Humans.1.5 We all now wear pants.
- Humans.2.1 Humanity the lazy,
Humans.2.2 Humanity the free!
Humans.2.3 Follow the leader of
Humans.2.4 The human army!
- Humans.3.1 Your job is the breeder,
Humans.3.2 So get on your knees!
Humans.3.3 Follow my command
Humans.3.4 And fill the cities!
- Humans.4.1 Humans: we all swarm around.
Humans.4.2 What a silly animal we are.
Humans.4.3 We think our jobs mean something
Humans.4.4 As we play from war to war.
- Humans.5.1 Cell phones are a necessity
Humans.5.2 For humanity today.
Humans.5.3 So let's follow suit and do as we're told
Humans.5.4 Before sanity takes us away.
